

WELCOME TO...
THE NEW BUSINESS DISTRICT FOR LUSAKA AT GREAT EAST ROAD

AN OFFICE BEYOND COMPARE

£ & -3

WITHIN EASY REACH...

- Experience the heartbeat of exciting Lusaka with easy access throughout the city through the Great East Road, even drivers will find it abreeze moving around the city.
- 2 Long day at the office? Grab a few drinks at the café, with some colleagues or friends & then head to the outdoor terrace gardens, for a relaxing evening under the stars, & de-stress yourself.
- Or head to the nearby Arcades Shopping Mall being close at hand.

LOCATED IN THE HEART OF LUSAKA...

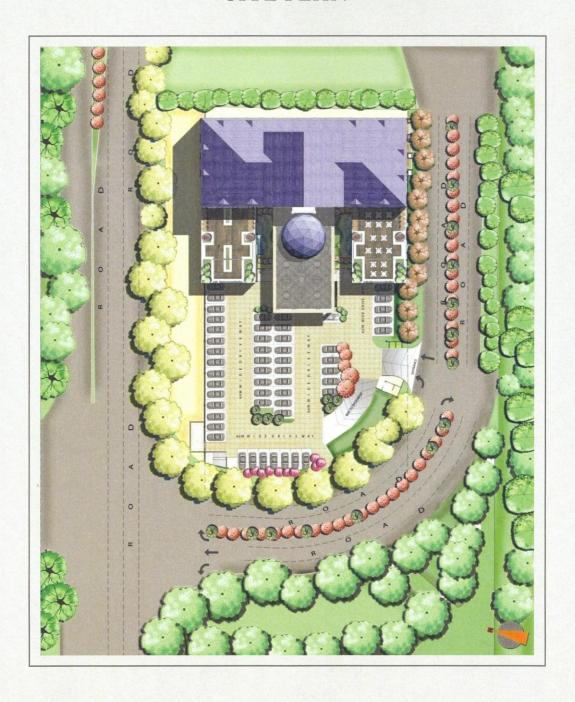

- A landmark in its own right, the Corporate Building is located in the centre of the Zambian Capital.
- Feel the pulse of the city, as the building stands adjacent to Zambia's largest shopping centre, the Arcade Shopping Mall.
- It is also stone's throw away from the Mulungushi Conference Centre, the New Radisson Hotel and the Zambian Parliament.
- Whether you are nature's lover or a city stalker, you will find myriad of things to do around about the Corporate Building.

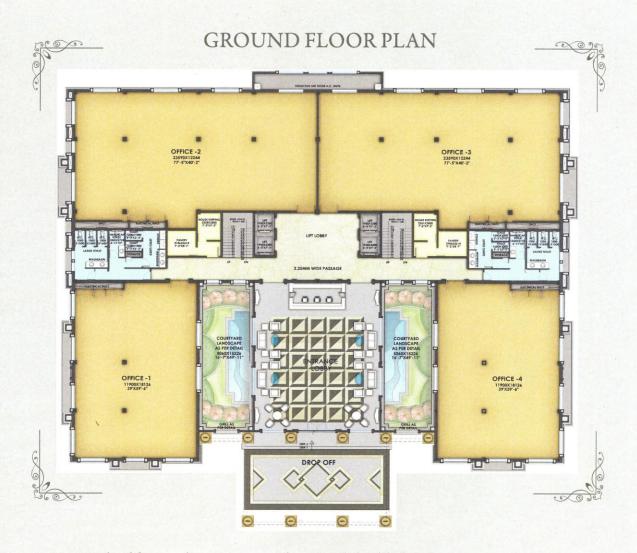

NATURE'S SHADOW

SITE PLAN

- Safe, secure and gated Car Parking area
- Security cabin at the entrance to provide constant surveillance
- Basement to increase the number of car parking units
- Allocated 180 car parks in total.

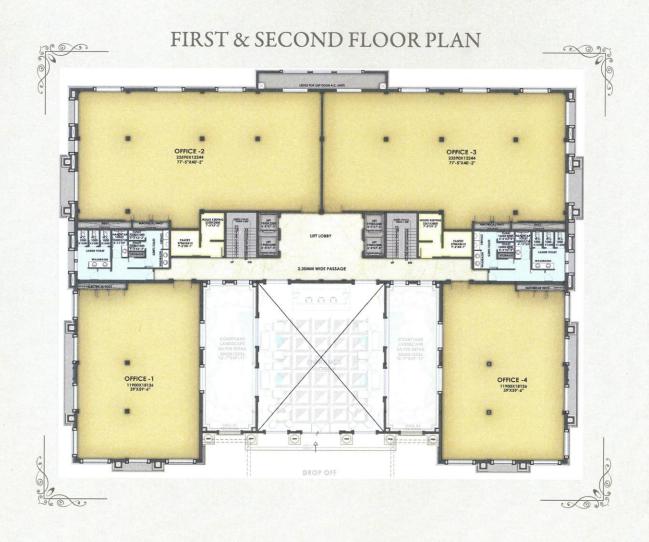

- The building welcomes you with a grand double height Entrance Lobby.
- A set of five office floors fused with landscape pockets and terrace gardens, that blends with the surroundings.

 The Ground, First and Second Floors each consists of multiple zones which can be occupied by separate corporate companies.

RECEPTION AREA

LIFT LOBBY

PROVIDING ONLY THE BEST

- Premium building finish, a combination of attractive glass façades, stones and metal panels.
- The design incorporates large, efficient floor plans, wide column spans and high floor-to-floor clearance for optimal space utilisation.
- Ready to move-in offices with adequate furniture.
- The building incorporates landscaped green spaces.
- A peaceful, noise-free environment, conducive to work.

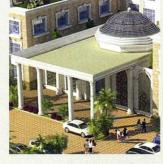

GEORGIAN GRANDEUR

The Georgian façade belies cozy comforts of a modern office, itself within a building having an iconic character.

This is the ultimate modern corporate space with a new zest for life.
